Then, simply click on the number that appears on the second page of the newsletter, and it will take you directly to our website so you can order, etc.

Those who have previously sent an email address, but haven't yet received a monthly notice of delivery/newsletter, please send it once again. We've discovered a few that aren't being received.

### **Pet Pal of the Month**

Buster Brown, a beautiful 16 month Springer Spaniel, became part of the Nickerson household about two years ago. Since that time, this smart, amusing, entertaining dog, with a very creative personality, has enjoyed chicken treats, very noisy/loud squeaker toys, and special attention from owner Tammy, and several relatives (some of his favorite family members) too.

Tammy shared that, "Buster shows unconditional love to her, and that she feels so blessed that God crossed their paths and entrusted this special dog to her." Buster is her best friend and the love of her life! (Thanks Tammy. Your comments reflect how many of us feel about our pets and what a joy they bring to our lives.)

P.S. Look for a big squeaker toy with your pet food order this month.

### **Pet Pointers**

**Art Paws in the Park**, McKinley Art Center on Keystone Ave., Sunday, July 22nd from 10 am – 3 pm. This beautifully shaped lawn area is the ideal setting for a fun-filled time for pets and their owners to stroll around and participate or visit the many activities and specialty booths designed to please and entertain everyone.

There will be a Dog Walk, Dog Painting, and so much more! (See the June-July issue of PetFolio for details). Discount coupons available to Pet Chef customers for the Sunflower Pet Picture Booth, with Pet Photographer Mary Jane Archer.

**Regal Felines Cat Rescue**, a non-profit local rescue organization, operated by one of our Pet Chef Express customers, has some beautiful cats now available for adoption.
